The annual fee corresponds to two service options and is a one-time payment each year.

The annual fee is due, whenever the new registrar is accredited.

A Registrar may choose between the “Option 1” annual fee or the “Option 2” annual fee.

A change of Options can be made only at the time the contract is renewed, by sending a message to Afnic prior to December 31 of the current year, to take effect on the 1st of the following January.

A description of services included in each of the Options can be viewed at Afnic’s Web site.
